SPEAKER INFO

Heather Haubenschild, Executive Director at Night Lights. In addition to being a wife and mom of three, Heather has been involved with Night Lights for years, helping establish the Parker program and supporting its continued growth. With a Master's in Clinical Mental Health and a background in child life, developmental services, and disability support, Heather brings both professional experience and a passion for helping children and families. Come learn more about Heather and the work she does to support the Night Lights community!
